CONVENTION INFORMATION

There are many AA Conventions held around the world. One of the most common misconceptions about these gatherings is that they are regular AA meetings. Conventions and conferences are special events which require a substantial amount of funding.

This convention is self-supporting. No group monies are used to pay for this event. The costs of this convention are met through convention registration and events. No baskets are passed. Attendance is voluntary and, as responsible AA members, we pay our own way.

*Early convention and lunch registration (Al-Anon only) will have a chance to be in a drawing to win reimbursement for the luncheon cost.

For groups that wish to sit together (10 to a table), please return your registration forms in the same envelope.
